Top 10 things colleges look for in a high school student

<http://school.familyeducation.com/college-prep/high-school/56210.html?page=1>

1. A challenging high school curriculum
2. Strong grades and an upward trend
3. Solid scores on standardized tests
4. Quality involvement in activities
5. A record of community service
6. Work or out-of-school experiences
7. A well-written essay
8. Positive recommendations from school personnel
9. Additional recommendation from adults who know the student well
10. Other special attributes or awards.

Testing Updates:

ACT to provide low-income students with Free Access to New Version of ACT Online Prep.

<http://www.act.org/newsroom/act-to-provide-low-income-students-with-free-access-to-new-version-of-act-online-prep/>

Students who register for the Act test using a low-income fee waiver will automatically receive free access to ACT Online Prep for year. See your counselor with questions.

Scholarship/Grant Information:

Whether you're on your way to college or already there, there are two big things you probably need: money and information. With **Wells Fargo**, you have a chance to get both. If you're a high school or college student and you sign up to receive college planning and money management information from Wells Fargo, you'll be automatically entered in the CollegeSTEPS sweepstakes for a chance to win \$5,000.

MnSCU Two-Year Occupational Grant Pilot Program

<http://www.ohe.state.mn.us/mPg.cfm?pageID=2163>

The program provides financial assistance to students enrolled in qualifying career and technical programs at MnSCU two-year colleges so that students can complete the program within two years or less and find employment in a high-demand occupation. It was created by the 2015 Minnesota Legislature and will be implemented for the 2016-2017 and 2017-2018 academic years as a pilot program.
