

ADVISORY COMMITTEES – GENERAL

The potential use of advisory committees is virtually endless in the Anoka-Hennepin School District. It is not inconceivable for every district level department and every building to organize advisory committees. Most major projects lend themselves to the use of advisory committees.

The Superintendent will prepare and submit to the School Board an annual report including, but not limited to:

1. A listing of advisory committees which were organized in the Anoka-Hennepin School District the preceding year
2. The major task(s) assigned to each advisory committee
3. A summary of the accomplishments of each advisory committee
4. Names and occupation of persons serving on advisory committees
