

## **REWARDS**

### **I. PURPOSE**

The purpose of this policy is to authorize the school board to offer rewards to persons who provide accurate and reliable information leading to the conviction of a person who has committed or conspired to commit a crime against students or school employees, volunteers, or school board members as a result of their affiliation with the school district, or against school district property.

### **II. GENERAL STATEMENT OF POLICY**

The school board believes that, in certain circumstances, the offering of a reward may lead to the receipt of information that would solve or prevent a crime against students, school employees, volunteers, school board members, or school district property. The school board also believes that the fact that the school board may offer a reward may have a deterrent effect on the commission of such crimes.

### **III. APPROVAL OF OFFERING OF REWARDS AND ESTABLISHMENT OF PROCEDURES**

The superintendent shall develop directives and procedures to address the timing and method of payment of any reward earned by an information provider. The information provided must have led to the conviction of the person who committed or conspired to commit the crime for which the reward was offered.
