Supplemental Programs

Supplemental Programs Teacher: Mr. Luke Amundson

Hello _____ Family,

I am currently working with your student during language arts time to help them with additional reading support.

Some things your child can practice at home to support what he/she is learning at school:

- We have a wonderful program with our Wonders curriculum called Adaptive Learning. If your student has access to internet on a computer, this gives them excellent practice that adapts to their learning. (directions on how to access Adaptive Learning on back)
- Read, Read, Read... Being read to and having them read to you. Turning on Closed Captioning (CC) while they watch TV or movies exposes them as well.

If you have any questions, please contact me at: 763-506-4752 or luke.amundson@ahschools.us or write a note back to me below. Please be sure to include your child's name in the e-mail.
