

WHAT IS TITLE I?

Title I is a federally funded program that is part of the Every Student Succeeds Act (ESSA). The goal of this law is to help all students meet grade level expectations in reading and math as written in the Minnesota state standards. Our school has extra reading and math intervention teachers who can help the students who are performing below grade level in reading and/or math. This is done to be fair and equitable for all students.

The elementary schools which have over 40% of their students who get free and reduced priced meals receive Title I dollars to help all the students in the school. We are a Title I Schoolwide school, and so we write goals each year to meet the needs of our school. These goals are written with staff, family, and student voices. The resources and money that come from Title I are used to meet those goals and support student success.

HOW ARE THE FUNDS USED?

- Additional support staff to provide reading and math interventions
- Resources/materials
- Family engagement events
- Resources/training to support school improvement strategies

WHAT IS A TITLE I FAMILY-SCHOOL COMPACT?

A Title I Family-School Compact is a jointly developed agreement that explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards. The families and staff at Wilson Elementary School annually discuss, review, and revise this Title I Family-School Compact.

For more information about this agreement, contact your child's teacher.

PARTNERSHIP OPPORTUNITIES

OPEN HOUSE

August 31, 2022

TITLE I ANNUAL MEETING

September 15, 2022

CONFERENCES

October 11, 13 and 17, 2022

February 21, 23 and 27, 2023

FAMILY ENGAGEMENT EVENTS

Welcome Back Night and Curriculum Night
September 15, 2022

Math and Reading Night
November 10, 2022

Celebration of Learning
May 11, 2023

TITLE I PARENT ADVISORY COMMITTEE

Meets twice a year

PARENT TEACHER ORGANIZATION (PTO) MEETINGS

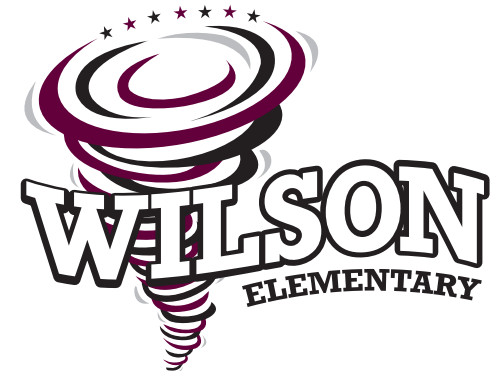

6:30-8:00 pm

September 22, November 17,
January 19, April 20 and May 18

Family-School Compact

Individual support students need to reach and exceed grade level standards.

Educate Empower INSPIRE

READING AND MATH

Minnesota's English Language Arts (ELA) academic standards are taught in all classrooms (Kindergarten through 5th grade). Anoka-Hennepin uses McGraw Hill's Reading Wonders curriculum for reading, writing, speaking, and listening instruction. When a student receives additional services, the same themes, vocabulary, skills, and strategies are taught. Students are challenged to read every day and write about complex texts. Also, students collaborate through conversations about literacy.

Minnesota's Math academic standards are taught in all classrooms (Kindergarten through 5th grade). We use Bridges in Mathematics and the connected intervention program called Bridges Intervention. It addresses all the Minnesota math standards in a fun, engaging, and accessible way for all students. The program includes:

- Hands on activities for exploring, developing, testing, discussing, and applying math concepts.
- Presentations of math concepts with language, pictures, and movement to meet the needs of all students.
- Opportunities for students to solve math problems in many ways which helps students to build more flexible and efficient problem solving strategies.

2022-2023 SCHOOL IMPROVEMENT STRATEGIES

- Increase academic achievement in reading and math
- Implementation of Character Strong social emotional curriculum
- Increase student engagement and reduce the academic achievement gap through equitable measures

Progress on these school efforts will be reported to families at PTCO meetings once a trimester.

Anoka-Hennepin's elementary school program is based on the belief that all children are valuable and unique individuals, and that children learn best when the home, school and community work together.

Wilson's Mission Statement

**Educate
Empower
INSPIRE**

IN THE CLASSROOM

Wilson Elementary teachers and support staff will deliver strong Tier I and Tier II instruction and monitor student progress to move all students towards meeting state standards.

Staff will use equitable classroom management strategies to increase engagement, allow for maximum instructional time, and to preserve relationships with students.

Students social and emotional needs will be addressed by all staff, with the support of our school social worker and school psychologist.

AT HOME

Ideas for families to support students' success at Wilson Elementary:

- Support regular attendance
- Explore, learn and grow with your child by asking them what they are learning in school. Support them in their efforts to succeed.
- Communicate regularly with your child's teacher
- Share your ideas, ask questions and get involved at Wilson by attending events, volunteering, and coming to a PTO meeting

COMMUNICATION

- Grade level expectations and student progress will be explained at fall and winter conferences.
- Results of MCA, MAP, and other grade appropriate assessments will be provided at conferences and made available by logging into My Student Information on A-H Connect.

Find the following information by visiting our school website ahschools.us/wilson:

- Volunteer opportunities
- Details about the family events that will be happening at our school
