CREATIVE CURRICULUM FOCUS

4 – year – olds: “I can find a way to solve my problems.”

Using our 2nd Step Curriculum, children are given opportunities to:

- Have fun with friends
- Say what the problem is
- Think of solutions
- Speak up assertively

THINGS TO DO AT HOME

- Give your child time to solve problems before you offer your help
- Model problem solving – when you are trying to figure out what to do, talk through it so they hear how you make decisions
- Play games that involve turn taking
- Encourage your child to use their words when they are upset

We are enjoying your children, thank you so much for sharing them with us!
