

Anoka-Hennepin Independent School District No. 11

TERMS AND CONDITIONS OF ADMINISTRATIVE EMPLOYEES ADMINISTRATOR / SUPERVISOR / NON-EXEMPT POSITIONS

For those employees issued administrator / supervisor / non-exempt contracts, the following terms and conditions of employment apply:

- I. **PERFORMANCE OF DUTIES:** The employee will faithfully perform the duties prescribed by the School Board and Superintendent, whether or not these duties are specifically described in this contract or in a general job description, and abide by District's policies for the annual salary indicated on the individual employee contract. Each individual contract and these terms and conditions are subject to all applicable federal and state laws. The employee must furnish throughout the life of the individual contract a valid and appropriate continuing license if a license is required for the position as determined by the State or job description.
- II. **DURATION:** These terms and conditions are subject to all applicable state and federal laws relevant to qualification, licensure, employment, termination, and discharge. These terms and conditions and the employee's individual contract remain in full force and effect during the term of the individual contract, except as modified in writing by mutual consent of the School Board and employee, unless otherwise terminated as provided by law or accepted written resignation.
- III. **MEETINGS:** The employee, upon approval of the Superintendent, may attend appropriate professional meetings, conventions, and conferences at the local, state, and national levels, with expenses incurred paid by the District pursuant to district policies regarding reimbursement.

Guidelines for national conferences include attendance once every three years; specific designated director level positions may be authorized to attend national conferences every year.

IV. DUTY YEAR AND LEAVES:

- A. **Basic Work Year:** The employee's duty year is the entire calendar year (i.e. 260/261/262 days) unless otherwise determined by the Superintendent. The employee is expected to perform services on those legal holidays on which the District is authorized to conduct school. The employee is expected to be available to work during any emergency unless otherwise excused by the Superintendent.
- B. **Vacation:** The employee earns paid vacation for a full contract year, prorated for less than a full contract year, based on the following:

0-3 years	15 days of vacation
4-9 years	22 days of vacation
10-15 years	25 days of vacation
16 or more years	30 days of vacation

For the purpose of determining the amount of vacation, credit for years of employment will be determined by the Superintendent or designee pursuant with the following guidelines:

1. All continuous internal employment experience within Anoka-Hennepin School District is credited.
 2. External employment experience, which is deemed comparable to the Anoka-Hennepin assignment, will be credited, while not to exceed 3 years of credit. Director level positions may be credited with up to 9 years of outside comparable experience.
 3. Vacation days not used during the contract year will accumulate without limit; however, the maximum vacation days taken during any contract year will not exceed 35 days.
Employees will be eligible to sell-back up to three days of vacation at their daily rate. Total vacation used and sold back cannot exceed 35 days.
 4. An employee who resigns from the District will receive a payout of unused, earned vacation days. This payout is calculated at the employee's daily rate of pay to a maximum of 55 days. This payout is subject to applicable state and federal taxes and other mandated withholdings.
 5. An employee who retires from the District may receive a payout of unused, earned vacation days. This payout is calculated at the employee's daily rate of pay to a maximum of 75 days. This payout is deposited into Anoka-Hennepin's Special Pay Plan according to the rules of said plan.
- C. **Holidays:** The employee has 11 paid holidays each contract year designated as follows: Independence Day (1), Labor Day (1), Thanksgiving (2), Winter Holiday (2), New Year's (1), President's Day (1), Spring (2), and Memorial Day (1), **Rev. Dr. MLK Day.** If Juneteenth becomes recognized as a District Holidays, it will become a paid holiday for District administrators.
 - D. **Sick Leave:** Each contract year, the employee earns 18 sick leave days, prorated for less than a full contract year. Unused sick leave days accumulate without limit.
 - E. **Personal Leave:** Three noncumulative personal leave days, deductible from an employee's sick leave allocation, are available each year for incidents of a personal or emergency nature. Requests for personal leave must be approved by the immediate supervisor and in accordance with district guidelines.

- F. Employees in Non-exempt Positions - Overtime: An employee classified as a non-exempt employee who is authorized to work beyond 40 hours per week will be paid time-and-one-half for each hour worked beyond 40 hours per week. Compensatory time off may be taken in place of paid overtime at the discretion and approval of the employee's supervisor.
- For compensatory time purposes, an employee may not accumulate over 60 hours of overtime, equaling 90 hours of compensatory time. All compensatory time must be used or paid off as of June 30 of each year.
