Our Community

Andover is a growing suburban community of over 30,000 residents located north of the Minneapolis-St. Paul metropolitan area. The citizens of Andover enjoy recreational opportunity, quiet neighborhoods, civic involvement and fiscal and environmental stewardship. Andover HS is one of five comprehensive high schools in the Anoka-Hennepin school district. The district also has six middle schools and twenty-four elementary schools, as well as several alternative programs. Anoka Hennepin school district is comprised of 13 north-metro suburban communities; it is the largest district in Minnesota with a total enrollment of approximately 38,000 students.

Academics

The curriculum at Andover HS delivers rigorous coursework providing a strong foundation for college and careers. Course offerings include courses of study for college-bound students, as well as for students planning to enter technical colleges, the military, or other employment. A variety of electives provide students with the opportunity to explore areas of interest. Honors, Advanced Placement and Dual Credit courses are offered in most academic disciplines.

Fine Arts & Technical Education

Andover HS boasts award winning programs in music, art, theatre, and technical education. Our music programs score at the highest level at region and state competitions, and our students are consistently selected for All-State band, choir and orchestra. Student artwork, photography, and woodworking projects are recognized as some of the best in the state and have won awards at the MN State Fair and displayed at the MN College of Art and Design. Our theatre productions are of the highest quality and have earned many Spotlight Awards from the Hennepin Theatre Trust. Our speech and debate programs are highly competitive and boast national qualifiers.

Athletics

The Andover Huskies enjoy great success in the athletic arena. We are a competitive force in the Northwest Suburban Conference and offer opportunities for students to participate in 29 boys and girls varsity sports. Our teams consistently compete in state tournaments and several of our athletes have competed as individuals at the state level since the school opened in 2002. Andover HS students also participate in adapted sports through the award-winning District 11 Adapted Sports Teams.

Activities

Andover HS offers over 50 different activities for students. These clubs and activities provide the opportunity for all students to explore their interests and passions and provide service to their community. [Link to Athletics and Activities.](#)
