

FAMILY RESOURCES

- Our school will send out Eisenhower News & Events email newsletter. It can be translated into other languages.

- **Find valuable information through ParentVUE:**

- Your student's results from grade level assessments
 - Your student's report card
- 
- Volunteer at your student's school. Contact the Volunteer Service Coordinator (VSC) or go to ahschools.us/eisenhowervolunteer
 - Find parent resources or ways to help your student learn: ahschools.us/prektograde3
 - Translate the information from this brochure on ahschools.us/eisenhowersupport
 - Communicate with your student's school in your preferred language. Visit ReachMyTeach.com or download the app
 - Contact your student's teacher or the school office if you have questions

FAMILY SUPPORTS FOR SUCCESS

- Explore, learn and grow with your child by asking them what they are learning in school and support their effort for success
- Share your ideas, ask questions and get involved at Eisenhower by attending school events, volunteering, and consider becoming a member of our PTO/Title I Parent Advisory Committee (PAC)
- Communicate regularly with your child's teacher

IMPORTANT DATES

EVENTS FOR FAMILIES

- Open House
- Reading and Math Night
- Multicultural Arts Night

August 26
November 13
April 14

PARENT TEACHER ORGANIZATION (PTO) MEETINGS

- September 11
- November 13
- January 8
- February 5
- May 14

Information about Title I will be shared and your input will be gathered

PARENT-TEACHER CONFERENCES

CONFERENCES

Fall Conferences
Winter Conferences

October 6 and 9
February 17 and 19

Possible Topics Discussed at Conferences

Teachers will share:

- Student expectations, goals, and progress on:
 - Schoolwork and tests
 - Interest and effort in learning
 - Friendships and relationships with others
- Services and supports offered to help your student
- Future events

Parent/Family will share:

- Student strengths
- Student interests
- Questions you may have about the school or your student

An agreement to effectively educate each student for success

WHAT IS TITLE I?

Title I is a federally funded program that is a part of the Every Student Succeeds Act (ESSA). The goal of this law is to help all students meet grade level expectations as written in the Minnesota state standards. Our qualifying schools receive Title I funds, as well as state and local funds, to strengthen their academic programs and to accelerate the progress of all students

As a Title I funded school, we partner with families and staff to write goals and an action plan each year. Title I funds are used to help meet these goals.

WHAT IS THE PURPOSE OF THIS BROCHURE?

To explain how families and staff have a shared responsibility for a student's high academic achievement. This brochure is reviewed and revised each school year with the help of families and staff.

HOW ARE THE FUNDS USED?

- Additional support staff to provide reading and math interventions
- Family learning events and practice materials for home
- Resources and training to support our school improvement strategies

SCHOOL SUPPORTS FOR SUCCESS

We will:

- Review grade level standards and setting student learning targets
- Administer common formative assessments to drive instruction
- Implement Catalyst strategies to establish relationships and maximize productivity
- Set up structures to support character education

SCHOOL IMPROVEMENT STRATEGIES

Our school is a Title I Schoolwide building that receives funding to support our students' academic needs. We have selected these goals to help all students:

- Increasing student achievement in reading (MTSS)
- Increasing student achievement in math (MTSS)
- Catalyst-ensuring a safe and welcoming school environment
- Character education-skills for success in lifeProgress on these school efforts will be reported to families during our PAC meetings in September, February and May

LITERACY AND MATH

Minnesota's English Language Arts (ELA) academic standards for reading, writing, listening, and speaking skills are taught daily in all elementary classrooms with the Amplify CKLA curriculum, in K-3rd classrooms with Bridge2Read, and in 4th-5th grade classrooms with Functional Morphology. Students are taught core foundational skills of reading and writing through interesting fiction and nonfiction texts, while developing communication skills and confidence. Every student's progress is monitored regularly, and extra service is provided, as needed, by classroom teachers and support staff.

AmplifyCKLA

ServeMN

Functional
Phonics
+Morphology

Minnesota's math academic standards are taught in all elementary classrooms. We use Bridges in Mathematics and the connected intervention program called Bridges Intervention. It addresses all the Minnesota math standards in a fun, engaging, and accessible way for all students. The program includes:

BRIDGES
IN MATHEMATICS

- Hands on activities for exploring, developing, testing, discussing, and applying math concepts
- Presentations of math concepts with language, pictures, and movement to meet the needs of all students
- Opportunities for students to solve math problems in many ways which helps students to build more flexible and efficient problem solving strategies
