

## FAMILY RESOURCES

- Our school will send out monthly email newsletters. It can be translated into other languages.

### Find valuable information through ParentVUE:

- Your student's results from grade level assessments
- Your student's report card
- Volunteer at your student's school. Contact the Volunteer Service Coordinator (VSC) or go to [ahschools.us/evergreenvolunteer](https://ahschools.us/evergreenvolunteer)
- Find parent resources or ways to help your student learn: [ahschools.us/prektograde3](https://ahschools.us/prektograde3)
- Translate the information from this brochure on [ahschools.us/evergreensupport](https://ahschools.us/evergreensupport)
- Communicate with your student's school in your preferred language. Visit [ReachMyTeach.com](https://ReachMyTeach.com) or download the app 
- Contact your student's teacher or the school office if you have questions

## FAMILY SUPPORTS FOR SUCCESS

- Support your child at home with regular attendance.
- Discuss with your child what they did at school and help practice the skills being taught in reading and math.
- Communicate with teachers, administrators, parent educator and other staff members to see if your child needs additional support.
- Attend Family Engagement Events and get involved in the Evergreen Parent Involvement Club (EPIC).

## IMPORTANT DATES

### EVENTS FOR FAMILIES

Open House	Aug. 26
🍎 Curriculum Night	Sept. 18
Parent Drop In Days	Tri 1, 2 & 3
Math Night	Dec. 4
Reading Night	Feb. 3
NAAPID	Feb. 10
ML Family Night	April 23
Arts & Academics Night/Talent Show	May 21

### PARENT TEACHER ORGANIZATION (PTO) MEETINGS

- 🍎 EPIC meetings are held the first Thursday of every month.

🍎 Information about Title I will be shared and your input will be gathered

## PARENT-TEACHER CONFERENCES

### CONFERENCES

Fall Conferences	October 6 & 9, 2025
Winter Conferences	February 17 & 19, 2026

### Possible Topics Discussed at Conferences

Teachers will share:

- Student expectations, goals, and progress on:
  - Schoolwork and tests
  - Interest and effort in learning
  - Friendships and relationships with others
- Services and supports offered to help your student
- Future events

Parent/Family will share:

- Student strengths
- Student interests
- Questions you may have about the school or your student

An agreement to effectively educate each student for success

## WHAT IS TITLE I?

Title I is a federally funded program that is a part of the Every Student Succeeds Act (ESSA). The goal of this law is to help all students meet grade level expectations as written in the Minnesota state standards. Our qualifying schools receive Title I funds, as well as state and local funds, to strengthen their academic programs and to accelerate the progress of all students

As a Title I funded school, we partner with families and staff to write goals and an action plan each year. Title I funds are used to help meet these goals.

## WHAT IS THE PURPOSE OF THIS BROCHURE?

To explain how families and staff have a shared responsibility for a student's high academic achievement. This brochure is reviewed and revised each school year with the help of families and staff.

## HOW ARE THE FUNDS USED?

- Additional support staff to provide reading and math interventions
- Family learning events and practice materials for home
- Resources and training to support our school improvement strategies

## SCHOOL SUPPORTS FOR SUCCESS

We will:

- Partner with families on a daily basis
- Use engagement strategies to help students grow academically
- Create relationships with students to help them be successful in and out of school
- Promote STEM learning within groups and classrooms

## SCHOOL IMPROVEMENT STRATEGIES

Our school is a Title I Schoolwide building that receives funding to support our students' academic needs. We have selected these goals to help all students:

- Multi-tiered systems of support in reading and math
- Students social emotional learning and staff management strategies

Progress on these school efforts will be reported to families during during EPIC meetings at the end of each trimester.

## LITERACY AND MATH

Minnesota's English Language Arts (ELA) academic standards for reading, writing, listening, and speaking skills are taught daily in all elementary classrooms with the Amplify CKLA curriculum, in K-3rd classrooms with Bridge2Read, and in 4th-5th grade classrooms with Functional Morphology. Students are taught core foundational skills of reading and writing through interesting fiction and nonfiction texts, while developing communication skills and confidence. Every student's progress is monitored regularly, and extra service is provided, as needed, by classroom teachers and support staff.

AmplifyCKLA

Bridge2Read  
ServeMN

Functional  
Phonics  
+ Morphology

Minnesota's math academic standards are taught in all elementary classrooms. We use Bridges in Mathematics and the connected intervention program called Bridges Intervention. It addresses all the Minnesota math standards in a fun, engaging, and accessible way for all students. The program includes:

BRIDGES  
IN MATHEMATICS

- Hands on activities for exploring, developing, testing, discussing, and applying math concepts
- Presentations of math concepts with language, pictures, and movement to meet the needs of all students
- Opportunities for students to solve math problems in many ways which helps students to build more flexible and efficient problem solving strategies
