

## WHAT IS TITLE I?

Title I is a federally funded program that is part of the Every Student Succeeds Act (ESSA). The goal of this law is to help all students meet grade level expectations in reading and math as written in the Minnesota state standards. Our school has extra reading and math intervention teachers who can help the students who are performing below grade level in reading and/or math. This is done to be fair and equitable for all students.

The Anoka-Hennepin elementary schools whose families have the highest economic needs receive Title I dollars to help raise the academic achievement of all their students. We are a Title I Schoolwide school, and so we write goals each year to meet the needs of our school. These goals are written with staff, family, and student voices. The resources and money that come from Title I are used to meet those goals and support student success.

## HOW ARE THE FUNDS USED?

- Additional support staff to provide reading and math interventions
- Family learning events
- Resources and training to support our school improvement strategies

## SCHOOL IMPROVEMENT STRATEGIES

- Pilot Tier I Social Emotional Learning Screener and continue with tier II and III Interventions
  - Increase Catalyst implementation- teaching strategies
  - Expand academic differentiation through specific instructional professional development
  - Pilot Bridge2Read K-3 and Continue with SWEL 4-5
- Progress on these efforts will be reported to families during EPIC meeting updates in January, April and June

## PARTNERSHIP OPPORTUNITIES

### EVENTS FOR FAMILIES

Open House	August 29, 2023
Title I Annual Meeting 🍎	September 14, 2023
Family Engagement Events:	
• 3-5 Focus	November 9, 2023
• Parent Drop in Days	In the Fall and Spring dates will be sent for each grade level
• Math Night	December 7, 2023
• I Love to Read KickOff	February 1, 2024
• Grade 3-5 MCA Night	March 26, 2024
• EL Family Night	April 25, 2024
• Academic Night/Talent Show	May 2, 2024

### CONFERENCES

Fall	October 12 & 17, 2023
Winter	February 8 & 13, 2023

### PARENT TEACHER ORGANIZATION (PTO) MEETINGS

Evergreen Parent Involvement Club (EPIC) Meetings  
EPIC Meets every second Thursday of the month. 🍎

🍎 Information about Title I funded activities will be shared and your input will be gathered

INFORMATION**

## LITERACY AND MATH

Minnesota's English Language Arts (ELA) academic standards for reading, writing, speaking and listening are taught in all elementary classrooms with McGraw-Hill's Reading Wonders curriculum. All students are challenged to read every day, discuss what they have read, and write about complex texts. Every student's progress is monitored regularly, and extra service is provided as needed by classroom teachers and support staff.

Minnesota's Math academic standards are taught in all elementary classrooms. We use Bridges in Mathematics and the connected intervention program called Bridges Intervention. It addresses all the Minnesota math standards in a fun, engaging, and accessible way for all students. The program includes:

- Hands on activities for exploring, developing, testing, discussing, and applying math concepts
- Presentations of math concepts with language, pictures, and movement to meet the needs of all students
- Opportunities for students to solve math problems in many ways which helps students to build more flexible and efficient problem solving strategies

Additional services include:

- Further work about the themes, skills, and strategies taught in the classroom
- Instruction and review on the foundational reading skills of phonemic awareness, phonics, decoding, and fluency
- Language and vocabulary development

## IN THE CLASSROOM

- Teachers and support staff at EGP STEM school of innovation developed goals to support students' learning. These include: Best Practices through our Wonders and Bridges curriculum. Differentiation instruction to meet individual needs.
- Catalyst classroom management strategies will be used to promote a calm, productive learning environment.
- With our STEM focus at each grade level allows each grade level to become experts in their area of focus:
  - Grade K-Explorers
  - Grade 1-Imaginers
  - Grade 2-Investigators
  - Grade 3-Problem Solvers
  - Grade 4-Engineers
  - Grade 5-Innovators

## AT HOME

- Support your child at home with regular attendance.
- Discuss with your child what they did at school and help practice the skills being taught in reading and math.
- Communicate with teachers, administrators, parent educator, and others to see if your child needs additional support.

### ANOKA-HENNEPIN'S VISION:

To be a public school system of excellence with high quality staff and programs and successful graduates.

## COMMUNICATION

- Grade level expectations and student progress will be explained at fall and winter conferences
- Teachers can also provide information about your student's learning habits
- Results of MCA, NWEA MAP, and other grade appropriate assessments will be provided at conferences and made available on in the My Student Test Results app on A-H Connect
- Other communications at home will include: Tiger Times: Paper and email newsletters, Facebook: AHEvergreenPark, Twitter:2AHEvergreen

## WHAT IS A TITLE I FAMILY-SCHOOL COMPACT?

A Title I Family-School Compact is a jointly developed agreement that explains how family members and teachers will work together to make sure all students get the support they need to reach and exceed grade level standards. The families and staff annually discuss, review, and revise this Title I Family-School Compact.

Your student's needs, progress, and achievements will be shared at fall and winter conferences.

*For more information about this agreement, contact your student's teacher.*

***Anoka-Hennepin's elementary school program is based on the belief that all children are valuable and unique individuals, and that children learn best when the home, school and community work together.***
