

Mississippi Elementary Title I Annual Meeting

September 15, 2022

What will we discuss?

Title I Funds

What are they and how are they used?

School Supports

Here's what your student learns at school.

Family Engagement

How you can benefit and give your input.

Resources

MN Dept of Education and Anoka-Hennepin resources for families

01

Title I Funds

Students

Title I

Families

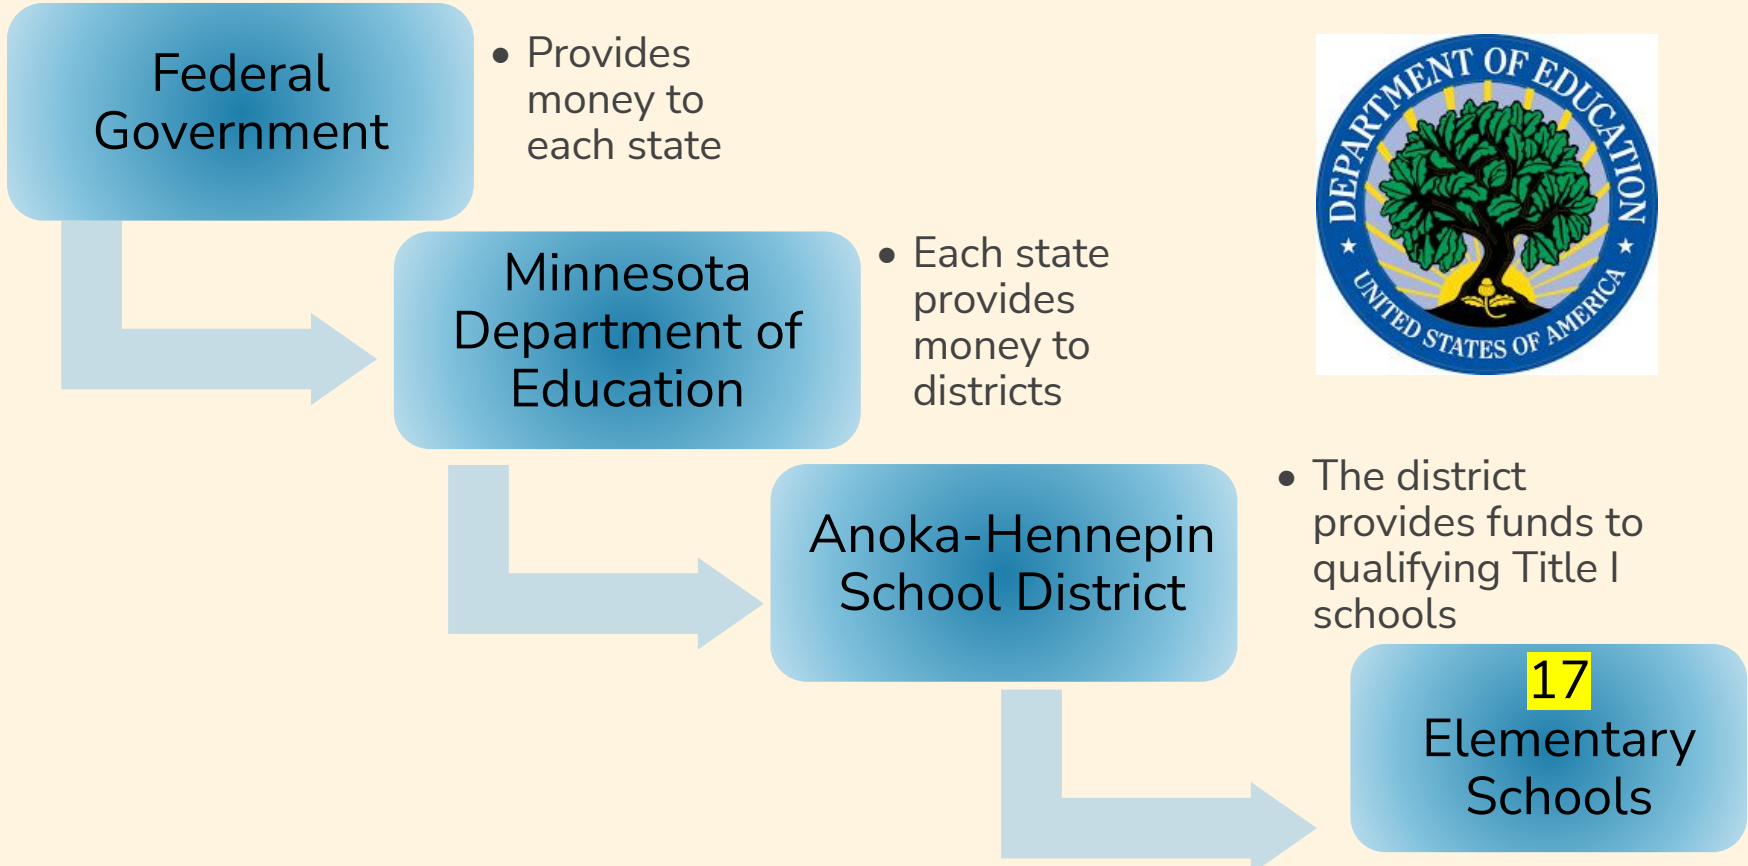

Title I is a federally funded program through the Every Student Succeeds Act (ESSA) designed to provide support to students who are performing below grade level in reading and/or math. The goal is to emphasize high academic standards in an effort to help students succeed in the regular classroom and reach grade level performance.

Achievement

Where do the funds come from?

How are Title I funds used at the district level?

87%

Supplemental Programs
Intervention Teachers

2%

Family Engagement

4%

Schoolwide School
Improvement Efforts

4%

Administrative Costs

3%

District Homeless Services

How can Title I funds be used at our school?

INTERVENTIONS

To provide timely assistance to help students meet the State's challenging content standards

FAMILIES

To conduct learning activities for families

(at least 1% of our Title I budget is dedicated to family engagement)

SCHOOL IMPROVEMENT STRATEGIES

Resources/training to implement Title I Schoolwide school improvement strategies

Title I Schoolwide Plan

- ❖ An overview of the school
- ❖ A Comprehensive Needs Assessment
- ❖ Summary of assessments and surveys used to evaluate progress mid-year and at the end of the year
- ❖ Evidence-based school improvement strategies that address:
 - the learning needs of all students
 - increase the amount and quality of learning time
 - provide a well-rounded education
 - address the needs of low-achieving students
- ❖ Explanation of how families are informed and involved

Title I Schoolwide Plan

Focus areas and school improvement strategies to raise achievement:

- ❖ Tier 1 and Tier 2 Instructional Structures and Planning
- ❖ Catalyst Teaching Techniques
- ❖ Character Strong Curriculum
- ❖ Morning Meeting, Calm Corner
- ❖ WIDA Standards for English Learner Writing Instruction

02

**School
Supports**

Math and Literacy Curriculum

Math:

Bridges in Mathematics

English Language Arts (ELA):

Reading Wonders

**All students in a Title I
Schoolwide building are
eligible to receive
supplemental support in
reading or math as
needed throughout the
year.**

Extra Supports

Assessments and student performance within the classroom determine who will be teaching the intervention or service:

- Classroom teacher
- Supplemental teacher
- Special Education
- English Learner teachers

The length of the intervention and intensity of the intervention vary:

- Long term/short term
- Number of minutes
- Number of students in the small group

**Wonders
Literacy
Supports**

**Bridges Math
Interventions**

03

Parents and Families

- Title I documents are under the Support tab on our website and available upon request
- PTO / Title I Parent Advisory Committee (PAC)
- Look for information in the principal's newsletter
- Attend Parent/Teacher Conferences
- Social media [Follow us on Twitter @MississippiElem]

Ways to get involved

**Volunteer in
your child's
classroom, at
home, or on a
field trip**

**Join a school
committee**

**Share a
talent that
would
benefit our
school**

What is a Family Engagement Event?

- Learn how to help your child(ren) with learning at home
- Learn about the MN State Standards and how our curriculum is tied to the standards at each grade level
- Connect and learn from others and facilitate a love of learning

This official standards document contains the mathematics standards revised in 2007 and put into rule effective September 22, 2008.

The Minnesota Academic Standards in Mathematics set the expectations for achievement in mathematics for K-12 students in Minnesota. This document is grounded in the belief that all students can and should be mathematically proficient. All students should learn important mathematical concepts, skills, and relationships with understanding. The standards and benchmarks presented here describe a connected body of mathematical knowledge that is acquired through the processes of problem solving, reasoning and proof, communication, connections, and representation. The standards are placed at the grade level where mastery is expected with the recognition that intentional experiences at earlier grades are required to facilitate learning and mastery for other grade levels.

The Minnesota Academic Standards in Mathematics are organized by grade level into four content strands: 1) Number and Operation, 2) Algebra, 3) Geometry and Measurement, and 4) Data Analysis and Probability. Each strand has one or more standards, and the benchmarks for each standard are designated by a code. In reading the coding, please note that for 3.1.3.2, the first 3 refers to the third grade, the 1 refers to the Number and Operation strand, the next 3 refers to the third standard for that strand, and the 2 refers to the second benchmark for that standard.

Grade	Strand	Standard	Benchmark Code	Benchmark
3	Number and Operation	Understand meanings and uses of fractions in the real-world and	3.1.3.1	Read and write fractions with words and symbols. Recognize that fractions can be used to represent parts of a whole, parts of a set, points on a number line, or 3.1.3.1 distances on a number line.

Understanding your child's **REPORT CARD**

For first grade

- Top 10 Tips for understanding your child's report card
- Academic measures
- Descriptions of what your child should know and be able to do in the second trimester
- Learning habit indicators with descriptions

- Finalized plan will be posted in the Document Center on our school's website

Anoka-Hennepin Title I Family Engagement Plan

District Title I Family Engagement Plan 2022-2023

The Board of Education of the Anoka-Hennepin School District believes that education is a shared responsibility of the student, families, school, and larger Anoka-Hennepin community. Further, the Board recognizes that academic achievement and success of our students depend on the strength of the partnerships developed among students, families, schools and the community from birth through graduation and beyond.

Title I District Contacts:

Beth Engman, 763-506-1136, Beth.Engman@ahschools.us
Dr. Annette Ziegler, 763-506-1122, Annette.Ziegler@ahschools.us

Part I. District Expectations

Anoka-Hennepin School District agrees to implement the following requirements [Section 1116 of the Every Student Succeeds Act (ESSA):

- Family engagement means the participation of families in regular, two-way, and meaningful communication involving student academic learning and other school activities, to make sure:
 - that families play an integral role in assisting their child's learning
 - that families are encouraged to be actively involved in their child's education in school
 - that families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child
- Will use the definition of the term "family" which includes a legal guardian or other person standing in place of a parent (such as a grandparent or a person who is legally responsible for the child's welfare).
- Put in place programs, activities, and procedures that involve families and are planned with meaningful consultation with families of participating children in all Title I funded schools.

- Copies are available today
- Posted in the district Document Center
- Request a copy to be emailed to you (linked here)

Send feedback to one of our principals or beth.engman@ahschools.us

Parent Advisory Committee (PAC) - PTO

What?

Designed to collaborate, review, and get input on:

- Title I program goals
- Family engagement planning and evaluation
- School/District Family Engagement Plans
- Title I Family-School Compact
