

WHAT IS TITLE I?

Title I is a federally funded program that is part of the Every Student Succeeds Act (ESSA). The goal of this law is to help all students meet grade level expectations in reading and math as written in the Minnesota state standards. Our school has extra reading and math intervention teachers who can help the students who are performing below grade level in reading and/or math. This is done to be fair and equitable for all students.

The Anoka-Hennepin elementary schools whose families have the highest economic needs receive Title I dollars to help raise the academic achievement of all their students. We are a Title I Schoolwide school, and so we write goals each year to meet the needs of our school. These goals are written with staff, family, and student voices. The resources and money that come from Title I are used to meet those goals and support student success.

HOW ARE THE FUNDS USED?

- Additional support staff to provide reading and math interventions
- Family learning events
- Resources and training to support our school improvement strategies

SCHOOL IMPROVEMENT STRATEGIES

- Increased achievement in reading
 - Increased achievement in math
 - Continued implementation of Character Strong training to address the social/emotional needs of students
 - Continued implementation of Catalyst training to improve student engagement
- Progress on these school efforts will be reported to families by email after each trimester.

PARTNERSHIP OPPORTUNITIES

EVENTS FOR FAMILIES

Open House	August 29, 4-6pm
Family Fun Night	September 26, 5-7pm
Fall Family Event 🍎	October 2, 5, 10
Math Night	November 9th, 5:30-6:30pm
Reading Night	January 30th, 5:30-7:00pm

CONFERENCES

Fall Conferences	October 2, 5, 10
Spring Conferences	February 20, 22, 27

PTO AND PARENT ADVISORY COMMITTEE (PAC) MEETINGS

6:30-8:00pm:
September 12, October 17,
November 21, January 16 🍎,
February 13, March 5,
April 16, May 21 🍎

🍎 Information about Title I funded activities will be shared and your input will be gathered

INFORMATION

LITERACY AND MATH

Minnesota's English Language Arts (ELA) academic standards for reading, writing, speaking and listening are taught in all elementary classrooms with McGraw-Hill's Reading Wonders curriculum. All students are challenged to read every day, discuss what they have read, and write about complex texts. Every student's progress is monitored regularly, and extra service is provided as needed by classroom teachers and support staff.

Additional services include:

- Further work about the themes, skills, and strategies taught in the classroom
- Instruction and review on the foundational reading skills of phonemic awareness, phonics, decoding, and fluency
- Language and vocabulary development

Minnesota's Math academic standards are taught in all elementary classrooms. We use Bridges in Mathematics and the connected intervention program called Bridges Intervention. It addresses all the Minnesota math standards in a fun, engaging, and accessible way for all students. The program includes:

- Hands on activities for exploring, developing, testing, discussing, and applying math concepts
- Presentations of math concepts with language, pictures, and movement to meet the needs of all students
- Opportunities for students to solve math problems in many ways which helps students to build more flexible and efficient problem solving strategies

IN THE CLASSROOM

We will:

- Provide a safe, welcoming, and supportive learning environment
- Respect the cultural differences of students and their families
- Foster high academic standards and behavior for all students
- Provide academic supports and extensions and share monitoring results with families

ANOKA-HENNEPIN'S VISION:

To be a public school system of excellence with high quality staff and programs and successful graduates.

Anoka-Hennepin's elementary school program is based on the belief that all children are valuable and unique individuals, and that children learn best when the home, school and community work together.

COMMUNICATION

- Grade level expectations and student progress will be explained at fall and winter conferences
- Teachers can also provide information about your student's learning habits
- Results of MCA, NWEA MAP, and other grade appropriate assessments will be provided at conferences and made available on in the My Student Test Results app on A-H Connect

Find the following information by visiting our school website:

- Volunteer opportunities
- Details about the family events that will be happening at our school

WHAT IS A TITLE I FAMILY-SCHOOL COMPACT?

A Title I Family-School Compact is a jointly developed agreement that explains how family members and teachers will work together to make sure all students get the support they need to reach and exceed grade level standards. The families and staff at Johnsville Elementary annually discuss, review, and revise this Title I Family-School Compact.

Your student's needs, progress, and achievements will be shared at fall and winter conferences.

For more information about this agreement, contact your student's teacher.
