## Item

---

1. Welcome and Introductions
2. Business/Discussion items
  - Ecfe onesies- very expensive. Thinking about doing something different like a water bottle. Niki knows people who could make the order as needed when people order the items.
  - Shirts for vehicle day- how many? 10? Should we use the \$100 Amazon gift card for them
  - Gift cards for fall - raise the amount to \$75 and do target or Walmart next year?
  - Niki found cool fundraising information- Anoka Hennepin credit union does no fees for money donated to nonprofits. Barnes and noble, raising canes, and chipotle also do fundraisers. The twins will let people work a booth and you ask the customers to round up each sale to donate.
  - iTunes gift cards- give to staff at a raffle?
  - Diaper drive - do it again? Amazon again? Any other items to be put on it besides diapers and wipes? Do it this year or in fall? It occurred in April last year. Check with the home visitors to make sure there's space for the items.
  - Staff Appreciation
    - Gift cards for \$5? Use money from spring fundraiser? Sunny will reach out to scooters coffee.
    - Gift cards will be ready April 12th. Sarah will pick them up
    - Flyers to be given in class the 15th
    - Maybe use Anoka Hennepin credit union to pay in person with a credit card?
