

# CLOUD DOUGH

THIS SUPER EASY DOUGH RECIPE IS PERFECT FOR HOURS OF CREATIVE PLAY!

## Ingredients

- 1 to 1.25 cups baby oil
- 8 cups flour

## Directions

1. Measure 8 cups of flour into a large bowl and add 1 cup of baby oil.
2. Mix and squeeze the ingredients with your hands to incorporate until the dough holds together when squeezed. Add additional baby oil if necessary.
3. Transfer cloud dough to a plastic bin and add toys, molds, scoops, etc.

## Notes

For easy cleanup, put the plastic bin on top of a plastic tablecloth. When done playing, shake off the tablecloth into the bin.

If you are worried about your toddler eating the dough, you can substitute vegetable oil instead of baby oil.
