11400 Magnolia St. NW
Minneapolis, MN 55448
OR email to: earlychildhoodscreening@ahschools.us

Child Name _____ Child's Date of Birth _____

In accordance with Minnesota state law, Anoka-Hennepin Schools conducts Early Childhood Screening to assist parents and communities in improving the health of Minnesota children and in planning educational and health programs. To ensure identification of risk factors that may influence learning, screening requirements include the following areas:

- immunization assessment
- developmental screening to assess development of cognitive, fine and gross motor skills, speech and language, social-emotional behavior and self-help skills
- hearing and vision
- height and weight
- health history
- summary interview

My child has gone through a special education evaluation and/or has an Individualized Education Plan, which is more in-depth than the Early Childhood Screening. I hereby notify Anoka-Hennepin Schools that I conscientiously object to Early Childhood Screening for my child due to the completed evaluation and/or special education services my child already receives.
