

Anoka-Hennepin School District  
Early Childhood Screening

# SCREENING

# REQUIRED

*Did you know that screening is required?*

Early Childhood Screening is an early check of a young child's health and development and is conducted by qualified professionals to help identify specific needs a child may have in these areas:

- ✓ Fine and Gross Motor Skills
- ✓ Speech and Language Development
- ✓ Cognitive and Social Development
- ✓ Vision and Hearing
- ✓ Height and Weight
- ✓ Immunizations

Screening should be done soon after the child's third birthday and is required by the state of Minnesota before kindergarten entry into a public school.

Anoka-Hennepin School District offers this service to our families at **NO COST**.

Children Are Special

**To make an appointment call**
