

PARENT DROP-OFF/ PICK-UP MODIFICATIONS

*Greg Cole, Chief operations officer
December 11, 2024*

PARENT DROP-OFF/PICK-UP MODIFICATIONS

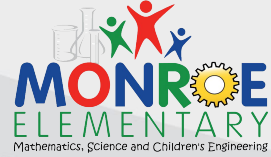

- Current conditions create congestion and unsafe conditions on Brookdale Drive.
- Traffic continues to grow on Brookdale Drive, creating access issues.
- This condition is caused by increase of families driving children to and from school following the pandemic.
- Impacts morning arrival and afternoon dismissal time, during school year (170 days).

PARENT DROP-OFF/PICK-UP MODIFICATIONS

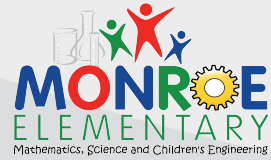

- A solution is to reverse bus traffic and parent drop-off locations.
- No cost to the district and dramatically improves safety.
- Manage all traffic waiting in line on Monroe School property, minimize impact to public streets.
- Control bus traffic to the front entrance area of the school, 7 busses daily.

SITE IMPROVEMENTS IN 2019

- New bus loop, auxiliary staff parking and access road.
- 26 staff parking spaces, reducing neighborhood parking by staff.
- New playground and ballfield improvements.

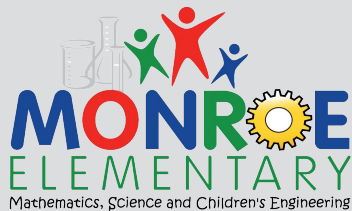

PARENT DROP-OFF/PICK-UP MODIFICATIONS

- Parent and guardians at Monroe were notified of this meeting/issue using school communication methods.
- Direct mail notice to 500 neighbors for awareness and an invitation to this meeting.
- Information posted on the Monroe website.

PARENT DROP-OFF/PICK-UP MODIFICATIONS
