

# St. Cloud State University

Join us on a road trip to St. Cloud State University on November 1, 2019 for a campus tour and information session.

You will meet with admission reps and students, take a campus tour, and learn what it takes to be college ready.

The bus will depart from STEP HS at 8:00am and return to STEP HS at the end of the school day where you will catch the shuttle back to your main high school.

We will eat lunch on campus so bring money (\$10-12) for lunch or a bag lunch. Return your signed permission slip to the Career Center by Friday, October 25th.

**\*\*Space is limited--return your permission slip early\*\***

**Dress for the weather – it could be chilly on campus and you will be walking outside for the tour.**
