

# Coon Rapids High School

## Coon Rapids Hall of Fame

- Purpose:** To recognize individuals with outstanding achievements at, and for, Coon Rapids High School and provide a link between the school's past and future.
- Members:** Students, Staff Members, Coaches, and Community Members
- Requirements:** Among other accomplishments and qualities, the committee values those candidates who have achieved All-State status, achieved success and recognition in multiple sports/activities, had decorated academic careers, and had post-graduation success. Students, staff members, and coaches must be at least 10 years removed from Coon Rapids High School, however the committee has discretion to waive the 10 year rule in cases of illness, etc.
- Committee:** Coon Rapids High School has a 12 member committee made up individuals who have an intimate knowledge of Coon Rapids High School and its history. Within that 12 member committee is a smaller Executive Committee whose task it is to discuss nominations, create nominations, and ultimately recommend a group of finalists to be voted on by the 12 member committee.
- Process:** Nomination forms are available to the public via the Coon Rapids High School Website and the Activities Office from the first day of the school year to the final day of the school year. Following the nomination period, the Executive Committee will review the nominations and make nominations of its own. They will then create and recommend a list of finalists that will go to the larger committee for vote. Seven of the twelve committee members must be present to have a vote, and in order to be inducted, a nominee must be named on a majority of the committee's ballots. The committee will induct no more than 5 new members per year, with the exception being the first year. All nominees not inducted are kept on file and can be revisited by the committee.
