Reading: MCA reading testing will be April 17-19. Be sure to get a good night's sleep and eat a good breakfast! Students can do practice for the MCA by logging on to the Anoka-Hennepin webpage, going to the lock and key, and clicking on the MCA test app.

We'll be doing some work with poetry in unit 4 and then start unit 5. Our big writing project will be a research report.

Remember word work and fluency are due each Wednesday!

Math: In addition to preparing for the MCA test, we will be learning more about fractions, area and perimeter, and geometry.

Science: The 4th graders are beginning their unit on Earth Materials after MCA testing is done.

MCA Testing will be in the mornings for all tests. Please do not schedule appointments in the mornings on those days.
