4BQ		Media and Phy. Ed.		Music, Core		Art		Explorations	
								Music and Phy. Ed.	

Reading: We'll finish up Unit 2 before the winter break. We have been working on the research process, evaluating sources, and collecting notes. We will be writing our explanatory essay next. We will continue to work on noticing text structure (how the writer organizes their information) in our small group. Word work and fluency homework comes home in the Wednesday folders, and is due the following Wednesday. You can download copies of that on Mrs. Quist's classroom page (go to the Morris Bye homepage, click on academics, and then find 4 th grade).	Math: Fourth grade will continue learning fractions and decimals, and then begin studying computation and estimation with large numbers. Please keep working at home on basic facts practice! Knowing the multiplication facts well will help with our higher-level number work. *Math homework comes home each Wednesday and is due the following Wednesday.	Winter Weather: It's been chilly this fall, and some students are missing warm jackets, hats, and mittens. Please make sure your child is dressed appropriately to be outside in cold weather. Students must have boots and snow pants if there is snow on the ground.
	Science: As we begin a new trimester, we will be moving on to new subjects in science. We will begin learning about electricity and magnets this month.	Mark Your Calendar: Friday, Nov. 30 – NO SCHOOL Monday, Dec. 4 – NO SCHOOL; staff development day Friday, Dec. 21 – Winter break class parties. More information will be coming home soon! School resumes on Wed., Jan. 2.
