| Reading: We start unit 3 when we get back to school. We'll be working on theme, point of view, writing book reviews, and opinion writing in January as part of the Wonders curriculum. Remember that you can check your child's progress on the weekly tests by having them log on to their Wonders accounts. You can see the test questions and how they answered them. | | Math: The 4 th graders will continue working with multiplication of large numbers and begin a unit on division. | | Character quality of the month: Responsibility. Students are asked to think about how they show this character trait. | |
| | | Science: The 4 th graders will start experiments to teach them about electricity. We're also doing some research on inventions and inventors, and discussing how one invention often leads to another. | | Mark Your Calendar: MBPTO meeting: Tuesday, January 15 at 6 pm Morris Bye Carnival: Friday, Feb. 1, 6:30-8:30 pm | |
