Information for Organizations Requesting to Distribute/Display Materials

I. Application Process

All distribution/display requests for open house must be submitted by 8/19/25. Once submitted you will need to contact EACH school you plan to attend and get permission. If additional materials, chairs/tables are needed you must set that up at the time of getting permission. If you are distributing materials you must have a person at the building handing them out and monitoring. The school will then contact our office letting us know you have permission. The school will NOT be added to the permit unless we receive word from their office staff.
