

ACTIVITY 8

Letter Sounds

PURPOSE:

To build automaticity with known letters.

SUPPLIES:

Magnetic Letters (6-8) - in pouch

Alphabet Chart - in binder

GOAL:

All kindergarten students will identify letter sounds, with accuracy and fluency.

TIMELINE:

This activity begins once students are able to identify the beginning sounds in words fluently.

PROCEDURE:

1. Place letters in a line in front of the student.
2. Say: **"Listen to the sound that each of these letters make."**
Volunteer points to each letter and makes the letter sound.
3. Say: **"Find the letter that says, /b/ pronounced "buh."**
 - a. Student points to the letter and repeats the letter sound.
4. Repeat activity with 5-6 different letter sounds.

Note: Continue by changing the groups of letters. Students continue this activity until they can quickly say letter sounds for all letters of the alphabet.
