Anoka Hennepin Independent School District Log On Instructions for the Learning Management System

Below, you will find instructions on how to log on to Anoka Hennepin's Learning Management System (LMS). Through the LMS you will have access to all of your required district training courses, as well as professional development courses offered by the district. The Learning Management System (LMS) will provide you with the capability to view, register for, complete, and track all of the training and development that is relevant to your continued growth and development in your position with the district.

is the preferred internet browser for the LMS.

Important Note: Google Chrome

 Open the district web page from your Google Chrome browser using the URL: <u>http://www.ahschools.us</u>

2) In the upper right hand corner of the web page, **click** the **Lock and Key icon.**

3) Log in using your district **Username & Password**.

Accessing the LMS application will bring you to your individualized Professional Development homepage where you will be able to access all of your district required trainings and any other staff development. In addition, teachers and other certified staff will be able to access all staff development completed during their 5 year renewal cycle to ensure all state requirements have been met for license renewal.
