All purchases of Computers, Monitors, Printers and Network Devices must go through Network Services and must be placed using the Anoka Hennepin Technology Purchasing Form.

The Technology Purchases Website includes the following information:

- Technology Purchase Request Form
- Epson Projector Pricing
- Minimum Requirements for Macintosh Desktop Models and Pricing
- Minimum Requirements for Macintosh Laptop Models and Pricing
- Minimum Requirements for Windows Desktop Models and Pricing
- Minimum Requirements for Windows Laptop Models and Pricing
- Printer Recommendations and Pricing
- Software Pricing

Technology purchases other than from Apple, HP, Dell & Network Devices should be ordered directly through the Purchasing Department via the TIES system.

(Network Device Purchases may require approval from the Network/Desktop Services Department prior to being ordered.)
