

Breathing Puppet

DUE DATE _____

WORTH 25 POINTS

Teams of 3 bring the stick puppet to life with breath and action.

- Puppet should have arms, legs and head.
- The puppet must begin with breath at the top of its action and maintain the breathing.
- Puppet must perform and maintain an activity.
- Puppet must move through space (walking, crawling, etc).
- Must be well rehearsed.
- Minimum of 2 minutes.
- Movement must be life-like.
- No speaking (but sounds are okay).
- You are also graded for your use of in-class work time.
