## Character Analysis/Performance Project

**Worth 50 Points**

DUE DATE \_\_\_\_\_

**DO NOT WRITE YOUR ANSWERS TO THE QUESTIONS ON THIS SHEET**

You will need to write out your answers on notebook paper and fill up a **minimum of two full pages (one page = one side of a page)** with very detailed descriptions and answers. You can answer these questions in a list OR like a journal entry. Write this as if the character is doing the assignment.

For the performance part of this assignment you will need to move from one side of the classroom to the other the way your character would. Then move back to the center of the classroom, then using your character's voice tell us your character's name, age and a little bit about yourself. You only have to say a few sentences about your character, but make sure to do it as if you were the character.

### **Written Part of Assignment:**

1. What is the character's name?
2. What is the character's age?
3. What is the character's gender?
4. What does your character look like (be very specific and detailed)?
5. What does your character's voice sound like (be very specific and detailed)?
6. What was your character's childhood like? Tell me about specific important incidents.
7. What is it that your character wants (be very specific and detailed)?
8. How will your character get what she/he wants (be very specific and detailed)?
9. Who are your character's enemies and tell me about them?
10. Who are your character's friends and tell me about them?
