### **Costume Designers Statement**

Tell the director what inspired you about this world. Describe what environments, characters, colors, and emotions influenced you in your designs? How do your designs support and enhance the overall world?

How did you express the relationship, conflict, or drama between the two character?

#### **Character 1:**

Who are they? What are they like? What do they do? Where do they live?

How did you communicate this visually using color, line, shape, and texture?

#### **Character 2:**

Who are they? What are they like? What do they do? Where do they live?

How did you communicate this visually using color, line, shape, and texture?
