

**** THEATER II Day __ ~ LIVE PERFORMANCE REMINDER ****
Students please read and share with your Parent or Guardian

Dear Level Two Student and their Parent or Guardian,

As part of the Theater Arts II Course, the students are required to see one live theater production per trimester. This can be plays or musicals at a school (ours included), a church, community theater or professional theater. It can even be of a theatrical production they are in. The student is then required to complete the *Live Theater Response Questions Worksheet*. Your child can only write on a show that falls within the dates of the trimester that you are writing for.

Please plan ahead for this each trimester. Too often students wait until the final weekend of the trimester to squeeze in seeing a show – this often does not work. Please note worksheets can be turned in prior to their due date each trimester. Not “having time” or “my family was too busy” is not an excuse to not complete this assignment. **Paper Due Dates: Trimester One – Nov 21 (Day 1 class) & Nov 26 (Day 2 class) ; Trimester Two – Feb 27 (Day 1 class) & Feb 28 (Day 2 class); Trimester Three – May 29 (Day 1 class) & May 30 (Day 2 class)**

If finances are an issue, please have your student stop into the AMSA Guidance Office and ask to speak to the Volunteer Coordinator. Ask the Volunteer Coordinator if you can volunteer to Usher. Usher at AMSA will allow you to see the theatrical production for free. Do not wait too long to do this as usher positions do fill up.

Please sign and return the bottom portion. Please let us know if you have any questions or concerns.

Mr. Fietek

I understand that a live-theatrical production is to be seen each trimester and that a Reaction Paper to each is to be written.
