

**** THEATER III ~ LIVE PERFORMANCE & FINAL PROJECT REMINDER ****
Students please read and share with your Parent or Guardian

Dear Level Two Student and their Parent or Guardian,

As part of the Theater Arts III Course, the students are required to see one live theater production per trimester. This can be plays or musicals at a school (ours included), a church, community theater or professional theater. It can even be of a theatrical production they are in. The student is then required to write a reaction paper in response to the theatrical production. The student is then required to complete the *Live Theater Response Questions Worksheet*. You can only write on a show that falls within the dates of the trimester that you are writing for.

Please plan ahead for this each trimester. Too often students wait until the final weekend of the trimester to squeeze in seeing a show – this often does not work. Please note papers can be turned in prior to their due date each trimester. Not “having time” or “my family was too busy” is not an excuse to not complete this assignment. **Paper Due Dates: Trimester One – November 20; Trimester Two –February 28; Trimester Three – June 3.**

If finances are an issue, please have your student stop into the AMSA Guidance Office and ask to speak to the Volunteer Coordinator. Ask the Volunteer Coordinator if you can volunteer to Usher. Usher at AMSA will allow you to see the theatrical production for free. Do not wait too long to do this as usher positions do fill up.

All Level III students are required to perform in a final public performance on Friday, May 31st at 7:30pm. They will also be staying after school on May 3rd for a final rehearsal. All students must stay after the performance to “strike” which will last approximately 30 minutes. This final is worth 100 points and is not optional. Please mark this on your calendar.

Please sign and return the bottom portion. Please let us know if you have any questions.

Mr. Fietek

Jefferson.Fietek@ahschools.us

I understand that a live-theatrical production is to be seen each trimester and that a Reaction Paper to each is to be written. I also know that all Level III students are expected to perform in a public performance Friday, May 31st at 7:30pm and that they are to attend an after school rehearsal and strike that same day.
