OPEN SCENE PROJECT

DUE DATE _____   **WORTH 25 POINTS**

You will be given an open scene to perform in class. You should be able to answer the following questions about the scene by the time you perform it:

- What are you saying? Do you know what the words mean?
- How does your character feel from line to line in the script?
- What does your character want?
- Who are you? Be very specific.
- What are you doing? Be very specific.
- Where exactly are you?

When you present the project you should…

- Be able to answer all the above questions.
- Be memorized.
- Have the scene entirely blocked out.
- Have looked up the meaning of any words you do not know.
- Create a complete and believable character

Some other things to know…

- You may write on your paper
- You do not need to write out the answers to the above questions, just simply be able to answer them if asked (hint= you may be asked some of them after you present)
- You cannot change the words or add others. You may however add sounds (i.e. oh, sighs. hums, gasps…)
