

SCENE PROJECT

DUE DATE: _____

WORTH 50 POINTS

You will be assigned a partner and a scene from a play. YOU NEED TO BRING YOUR SCRIPT EVERY DAY TO CLASS. You and your partner must then create characters, using changes in your voice, body and movement. Then block your scene and rehearse. You must be memorized by the performance due date. You are also encouraged to use props and costume accessories for your scenes.

You will be graded on the following:

1. Was the scene completely blocked and planned out?
2. Were you completely memorized and seemed confident with your line delivery?
3. Did you have emotion and believability throughout the entire scene?
4. Did you use you in-class work time effectively?
5. Did you adjust your voice, body and movement in a way that was fitting to your character?
6. Did you show a great amount of effort on this project (Such as using props and costume pieces)?
