All School Field Trip: Friday, December 20th

As some of you may know, Crooked Lake will be taking their annual field trip to Coon Rapids High School to see their play "A Charlie Brown Christmas" on 12/20. Please go online to ahconnect and sign your child(ren) up for this field trip at your earliest convenience. We

would like to take this opportunity to allow your child(ren) to experience what it might be like to go to a performance at a “professional theater.”

In doing so, we are asking that you help your child(ren) come to school “all dressed up.” Please keep in mind that it is winter as you help pick out the “perfect” outfit for your child(ren). If there is an outfit you are nervous about getting dirty, please save that outfit for another event.

In addition, they will have the opportunity to experience “fine dining” in the cafeteria at their lunchtime. We will set the mood with: dimmed lighting (battery operated candles), placemats made from construction paper, and additional staff and volunteers to serve your children in the same way they might receive at a restaurant. We also will discuss (and you can help us by talking about this too) what it might look and sound like in a “fancy” restaurant (volume, manners, etc.).

This is our 5<sup>th</sup> year doing this, and we are excited to continue this annual event.

Most of all, we are just excited to continue to show your children how much they mean to us. Many thanks for all you do at home to help support us; you also hold a special spot in our hearts!

### Outside Clothes

With the weather changing please make sure to send APPROPRIATE clothes for your student to wear outside! We have the first recess at 10:40, and it can still be cold in the morning!
