

BROOKSIDE ELEMENTARY STUDENT INFORMATION FORM

Assigning children to classrooms for the 2020/21 school year will be done near the end of this current school year. Placement of students is a complex process and the following items are taken into consideration when forming classes for the next school year.

- | | | |
|-----------------------------------|------------------------------|--------------------------|
| • Learning Styles | • Self-Motivation of Student | • Parent Concerns |
| • Level of Achievement | • Student Maturity | • Teacher Recommendation |
| • Student Interests and Abilities | * Gender Balance | • Grouping Patterns |

We invite you to be part of this process by providing specific information about your child. Your observations and experiences regarding your own child will be valuable to us as we determine next year's class lists. We are not able to accommodate specific requests for teachers because of the need to create well balanced, heterogeneous (boy/girl number) classrooms at every level. Forms with specific teacher names will be returned for re-submission.

If you choose, please complete the following form and mail or bring directly to the Brookside Elementary Office no later than May 8, 2020.
