

BROOKSIDE ELEMENTARY STUDENT PLACEMENT FORM

Assigning children to classrooms for the 2019/20 school year will be done near the end of this current school year. Placement of students is a complex process and the following items are taken into consideration when forming classes for the next school year.

- Learning Styles

- Student Interests and Abilities
- Self-Motivation of Student
- Student Maturity
- * Gender Balance
- Parent Concerns

Your observations and experiences regarding your own child will be valuable to us as we determine next year's class lists.
