| BASIC GUIDELINES                                                |                                                        |                                                                                          |
|-----------------------------------------------------------------|--------------------------------------------------------|------------------------------------------------------------------------------------------|
| ITEMS MUST BE...                                                |                                                        |                                                                                          |
| INTENDED FOR STUDENT USE*(See 'Student Textbook' for more)      | NEW, NOT PREVIOUSLY USED (used textbooks not eligible) | EDUCATIONAL IN NATURE                                                                    |
| SECULAR (Not religious in nature or intended for religious use) | PURCHASED ON OR AFTER JULY 1 OF CURRENT FISCAL YEAR    | ONE ITEM PER INDIVIDUAL OR COOPERATIVE LEARNING GROUP<br>(Not applicable to homeschools) |

| ITEMS ELIGIBLE FOR USE WITH TEXTBOOK AID<br>All items must comply with basic guidelines | DETAIL                                                                                                                                                                                                                                                                     |
|-----------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Student Textbook                                                                        | <b>*Per legislation in 2019: May include teacher materials that accompany materials that a pupil uses if bundled together</b>                                                                                                                                              |
| Workbook                                                                                | Must not be comprised of mostly blank pages.                                                                                                                                                                                                                               |
| Standardized Testing                                                                    | Must be nationally norm referenced.<br>Must be a test of achievement.<br>Must be standardized.<br>Proctoring fees associated with the test are not reimbursable, unless the test cannot be given without a proctor (e.g. Peabody).<br>Practice tests are not reimbursable. |
| Shipping fees                                                                           | Tax not included                                                                                                                                                                                                                                                           |
| Manipulative material/models                                                            | A manipulative is an item that engages students in discovery through construction, placement, sorting, and creating.<br>Example: blocks, cubes, and number tiles. Must fit on a desk 20" x 30"                                                                             |
| Desk map                                                                                | Individual maps for each student. Does not include wall maps and/or globes                                                                                                                                                                                                 |
| Division chart/multiplication table                                                     | Individual for each student                                                                                                                                                                                                                                                |
| Published materials                                                                     | Documents, pamphlets, photographs, pictorial or graphic works, study prints and pictures, reproductions                                                                                                                                                                    |
| Flash cards                                                                             | For individual students and/or cooperative learning groups                                                                                                                                                                                                                 |
| Games                                                                                   | Must be grade level appropriate and used in a cooperative learning group setting.                                                                                                                                                                                          |
| Puzzle                                                                                  | Must be educational in nature. Examples may include: sentence puzzles, anatomy puzzles, math puzzles, geography puzzles, map puzzles, etc.                                                                                                                                 |
| Magazine/periodical                                                                     | Must be appropriate to grade level.                                                                                                                                                                                                                                        |

*Revised May 2025*

### Textbook Aid Expenditure Guidelines for Nonpublic Schools/Homeschools

| ITEMS ELIGIBLE FOR USE WITH<br>TEXTBOOK AID<br>All items must comply with basic<br>guidelines | DETAIL                                                                                                                                                                                                                                                                                                                                                                                   |
