BIOMEDICAL SCIENCES
9th Grade Registration 2018-2019
Center for Biomedical Sciences and Engineering – Coon Rapids High School

Student Name:_____

Parent Name:_____ Daytime Phone: _____

I understand the importance of this registration, as this data will be used to form classes, plan the master schedule, and hire/assign teachers for next year. Schedule changes are difficult to make later. **I understand that registration for honors, AP, and PLTW course selections are final.** I studied the Registration Guide with my parent/guardian(s) and received their approval of my course selections.

_____ _____ _____
Student Signature Parent Signature Date

Place an 'X' in front of the courses you have selected for next year.

English (A and B required)
Select either regular or Honors English (recommended)

	73911	English 9A
	73912	English 9B
	OR	
	73971	Honors English 9A
	73972	Honors English 9B

Science (A and B required)

X	75983	Honors Physical Science 9A Biomed
X	75984	Honors Physical Science 9B Biomed

Social Studies
Select a Civics and Geography

	77030	Civics
	OR	
	77040	Honors Civics

AND

	77930	Geography
	OR	
	77940	AP Geography A (check both)
	77941	AP Geography B (check both)

Math
Select your appropriate Math course (2 or 3 Trimesters) – see page 7 in the registration guide for course recommendations.

		(3rd trimester Math or elective for advanced math students)

Physical Education
(May be taken at a later time if a music and world language student)

	71910	Physical Education I

Biomedical Sciences – PLTW (A and B required)

X	78481	PLTW AC Honors Principles of Biomedical Sciences A
X	78482	PLTW AC Honors Principles of Biomedical Sciences B

Business

X	78446	Computer Skills for Biomed and Engineering

Electives
Select 3 elective options

Alternate Elective Options
Select 5 alternative elective options. Alternate class choices will be used if first choice selections cannot fit into a student's schedule or are not offered. Students must record a course number and course title on each of the lines below or the student may be placed in an open alternative class.

	Course #	**Alternative Choice Course Title**
1st		
2nd		
3rd		
4th		
5th		

All students must have a total of <u>15</u> X's and 5 alternative elective options!
