2018-2019 Coon Rapids High School GRADE 10 Registration

This registration worksheet must be turned in and requests must be entered by 8:00am on January 16, 2018 to finalize your registration!

*****New this year!**

We have PREPOPULATED grade-level required courses when you log on to Student Vue Course Requests. We may have included pre-placement in program courses (i.e. BMED/Engineering, Reading, AVID, English as a Second Language, Special Education, etc.) for you along with providing you with recommendations on math courses for next year to consider.

If you wish to change from regular to HONORS level coursework, simply delete the grade-level course and add the HONORS course number in your course requests.

Required Courses: Please circle your choice and/or write in the course number on the grid below.

DIRECTIONS for CRHS ONLINE Registration

NOTE: Online registration must be completed by deadline date!

*****New this year!**

We have PREPOPULATED grade-level required courses when you log on to Student Vue Course Requests. We may have included pre-placement in program courses (i.e. BMED/Engineering, Reading, AVID, English as a Second Language, Special Education, etc.) for you along with providing you with recommendations on math courses for next year to consider.

If you wish to change from regular to HONORS level coursework, simply delete the grade-level course and add the HONORS course number in your course requests.

1. Go to <http://www.ahschools.us/>
 2. Click on 'Lock and Key' near the top right.
 3. Log on to AH-Connect using your student username and password.
 4. Click on the Student Information icon.
 5. Select "Course Request," then select "Click here to change course requests." *Please note! We have pre-populated your grade-level required course. If you wish to change to an honors course, simply 'Remove' the prepopulated course and "Request" the honors number.*
 6. Enter requests using the 5-digit course numbers (please do not enter course titles).
 7. Select "Search Courses."
 8. Select "Request" for your regular requests and "Alternate" for your five alternate requests.
Do not check the "none" button.
 9. Select "Click here to move selected requests to Selected Course Requests," and repeat these steps for your 15 regular and your 5 alternate requests.
 10. Select "Click here to return to Course Request Summary." Verify your requests. If you made a mistake, click the remove button and re-enter the correct course number.
DO NOT LOCK your course requests.
 11. Log out.
- Staff is hired based on course selections. ***Please make your selections carefully.*** Schedule changes are difficult to make later.
 - Student schedules may be changed without parental notice if testing results after registration indicate the need for a math, reading, and / or writing class.
 - Special features of a course are noted in the title (e.g. H, AC); see the registration guide for definitions of these and others.
 - Prerequisites are identified in the registration guide. **All prerequisites must be completed prior to taking a course.**
 -

I understand the importance of this registration, as this data will be used to form classes, plan the master schedule, and hire/assign teachers for next year. Student will be placed in required classes, however the alternate list of classes will be used if first choice selections cannot fit into a student schedule or are not offered in the master schedule. **I understand that registration for honors, AP, and PLTW course selections are final.**

I studied the Registration Guide with my parent/guardian(s) and received their approval of my course selections.
