The application must be completed by the **student** using their school Gmail account. Students will be sent an email from Mr. Feigum with the link to the scholarship application on January 23. The link will also be available on the Andover High School website (Support, Career Center, Financial Aid/Scholarships). Seniors will have the opportunity to complete the Google application form in Advisory on Thursday, January 23. All seniors are encouraged to apply, as a wide variety of scholarships will be awarded. Students will be notified and invited to the ceremony if they are a recipient of a scholarship. There are additional ways to research scholarship

opportunities on your own. For example, many employers, banks, credit unions, and post-secondary institutions offer scholarship opportunities. In addition, research the Andover High School Website (Support, Career Center, Financial Aid/Scholarships) and scholarships in Naviance.
