girlsmhsb.org

If you are an Anoka student, in grade 7 – 12, who likes to bowl and has the desire to become a better bowler, then Anoka High School bowling club is looking for you! Interested in learning more? Contact Jean at 763-639-1798 or jmjones7670@gmail.com. Also information can be found on activities page of Anoka High School Website.

- **Anoka High School is offering bowling as a student club! Also a Lettering Club!!!** Bowling is a co-ed activity in the fall (August – November) and a girls-only activity in the winter (January – April).
- Minnesota High School Bowling uses the baker-system. Five bowlers each bowl two frames to complete a single game. **It is a very exciting format for both players and spectators.**
- Super Bowl (Ramsey, MN) is the sponsoring bowling center for the Anoka High School bowling teams. Super Bowl provides lanes for practices and conference competition. During a single season high school bowlers will receive literally hundreds of dollars of bowling and instruction for just \$125.00. (\$100 if a Saturday Ramsey Roller League Youth Bowler) . Team jerseys and some equipment are provided at no cost.
- One to two practices each week will be held at Super Bowl after school. Co-ed matches are held on Thursday afternoons and Girl-only matches are held on Sundays. We bowl against Andover, Blaine, Coon Rapids, and other Metro area schools.
- Minnesota High School Bowling and Girls Minnesota High School Bowling are administered by the Bowling Proprietors Association of Minnesota (BPAM) and are governed by a set of rules that have been modeled after those of the Minnesota State High School League. Learn more about the leagues at www.mhsb.org or www.girlsmhsb.org.

Co-ed season starts August 13, 2019
