

Miss Lindh proudly presents the...

Peek at the Week

September 25 - October 1, 2019

Reminders

- NO SCHOOL - Monday, September 30 due to staff meetings
- If your child will not be at school for any reason, please remember to notify Miss Lindh through REMIND, email, or by phone.
- We are very active throughout our day at preschool, and for that reason, we ask that if your child is wearing a dress or skirt, please remember to have them wear shorts, pants, or leggings underneath.
- Fall conferences are just around the corner, and will take place the evenings of October 3 and October 8, as well as during the day on October 14. Information on how to sign up for a conference online is also being sent home in folders today.

This week we are...

- Learning how to wait, share, and take turns
- Continuing CIA testing with Miss Lindh to see what skills students have entering preschool
- Introducing the sensory table as another choice during center time
- Using glue sticks in the art center
- Practicing writing our names
- Gaining independence in taking care of our own needs

Try it at Home:

- The first homework packet is coming home today, a game called "Slippery Count", a fun way to practice numeral recognition and counting. Take time throughout the week to play this with your child multiple times.
- Practice activities that require your child to wait...we are learning that in the classroom there are many times when we have to wait for things even though that is hard. If you practice at home, it will make it easier for your child to do it at school.
