

Anoka Middle School for the Arts

Daily Announcements

Good Morning Anoka Middle School for the Arts!

These are your morning announcements for

Thursday, March 25, 2021 Day 1

Now let's take a moment to calm our minds and our bodies and get ready for the school day ahead... Think about something that you experience every day that you may take for granted, such as having hot water for your shower, the smell of the food that you get to eat, the clothes you have to keep you warm, or a friend or family member who makes you laugh. Take a moment to just feel thankful. Having an attitude of gratitude improves our mood and our outlook on life.

Today's Lunch Menu

Mini Corn Dogs, Cheeseburger/Hamburger, Cheese Stuffed Crust Pizza, and Garden Salad

Student Announcements

Today for Women's History month announcement we celebrate Peggy Whitson, who is an American biochemistry researcher, and retired NASA astronaut. She spent extended time on board and was even commander of the International Space Station. She is quoted as saying "I would certainly encourage young people to pursue their dreams. It isn't always an easy path, but it's worth going after. And I figure if a farmer's daughter from Iowa can become an astronaut, you can be just about anything you want to be."

AMSA has more Hockey to celebrate! The Girls 15A team will also be going to state which will be in Moorehead starting Friday! Our 8th graders who are on the team include: Abby Moore, Katelyn Buth, Kendall Rykkeli (RICK-LEE), Lilly Klocker and Reese Christoff. Good Luck ladies!

Reminder to all students: Because there is some confusion-Tomorrow is a synchronous/in person school day.

Fred Moore Campus

Please listen carefully to the following student expectation reminders for trimester 3:

-Students, if you arrive at school before 8:00 A.M, you will need to wait in the auditorium hallway or gym until the bell rings at 8:00 A.M. At this time, you can eat breakfast in the cafeteria or go to your lockers but then need to proceed directly to Connections.

-Due to maintaining social distancing, students cannot hang out in the hallway or walk the halls before Connections.

-Lockers should only be used before and after school. Students will be allowed to use backpacks during the day.

-Cell Phones are not to be seen or used from 8:25 A.M. - 3:05 P.M. Please keep them away. This includes passing time and lunch.

-Face masks must also be worn throughout the day when in class, hallways, and cafeteria when not eating or drinking. Please make sure your mask is covering your nose and mouth.

Thank you for following these student expectations and others you will be hearing about this week in Connections through our district policy review.
