

## Cover Me:

(1 less/1 more) Using your strips of numbers from Cross the Bridge. Have mom/dad ask you to name 1 less or 1 more than a number on the number strip. If you can do it in a snap before mom/dad say it, you get to cover the number. When the numbers on the number strip are covered, you win!

Challenge: Be sure all numbers are cover with a piece of paper so that only the target number you are working with is showing.
