

## **5+ or 10 or 10+ BINGO!:**

Need copy of 5+, 10 or 10+ bingo board.

5+: Roll a cube with 0,1,2,3,4,5 and call out the number that is face up. A traditional die can be used with the player calling out 0 when a 6 is thrown.

Determine the sum of 5 plus the number rolled (ie - If a 2 is rolled  $5+2=7$ ) Place a chip on the sum. The first person to get 5 in a row wins.

If playing Make 10, determine what missing to make ten after the die is rolled.

If playing 10 plus, determine the sum of 10 plus the number rolled ( $10+4=14$ ).
