

# TORN PAPER COLLAGE LANDSCAPE

1. Supplies:  
Construction paper  
Glue stick  
Paper scraps

2. Tear a paper to create a mountain in the background. Glue it in the middle of your paper.

**3. Tear a paper in a different color for your second mountain.**

**4. Repeat step three. Add sun/moon, or clouds.**

## LANDSCAPE

**FOREGROUND** - the closest elements in a scene (BIG)

**MIDDLEGROUND** - the area between the foreground and background (medium size)

**BACKGROUND** - the most distant elements in a scene (small)
